Students are dismissed from school at 2:53 p.m. At the end of the day, all students must leave school grounds or transition to a school sanctioned after school activity. If a child is not picked up by 3:00 p.m. the child will be brought back into the building to wait at the main entrance until their escort arrives. **The parent, guardian, or designee must come into the school at door #1 and sign the student out after 3:00 p.m.** Please be on time to pick up your child. We do not have staff members to supervise children after school. **The Huntington School Campus (including the playground) is closed until 5:45 p.m., except for use by the Huntington CLC and by school clubs.**

Families are required to have a dismissal plan on file with our school office. This will help us know how your child will go home at the end of the day. **It is important to have a consistent plan for dismissal.** We understand that there may be times when a dismissal plan may need to change. In the event that your child's plan needs to change, please call the office. Please call before 2:30 as this will provide our office staff time to get a message to your child.

Some children wish to ride their bicycle to school. Please ensure children are capable of following all safety rules independently before being allowed to ride their bicycle to school. **Students must walk their bike while on school property.** All bikes must be parked at our bike rack on the south side of the building. Use of a bike lock is recommended. Huntington School is not responsible for lost, damaged, or stolen bikes.

Traffic Flow & Safety Tips

See the Huntington traffic map for more information.

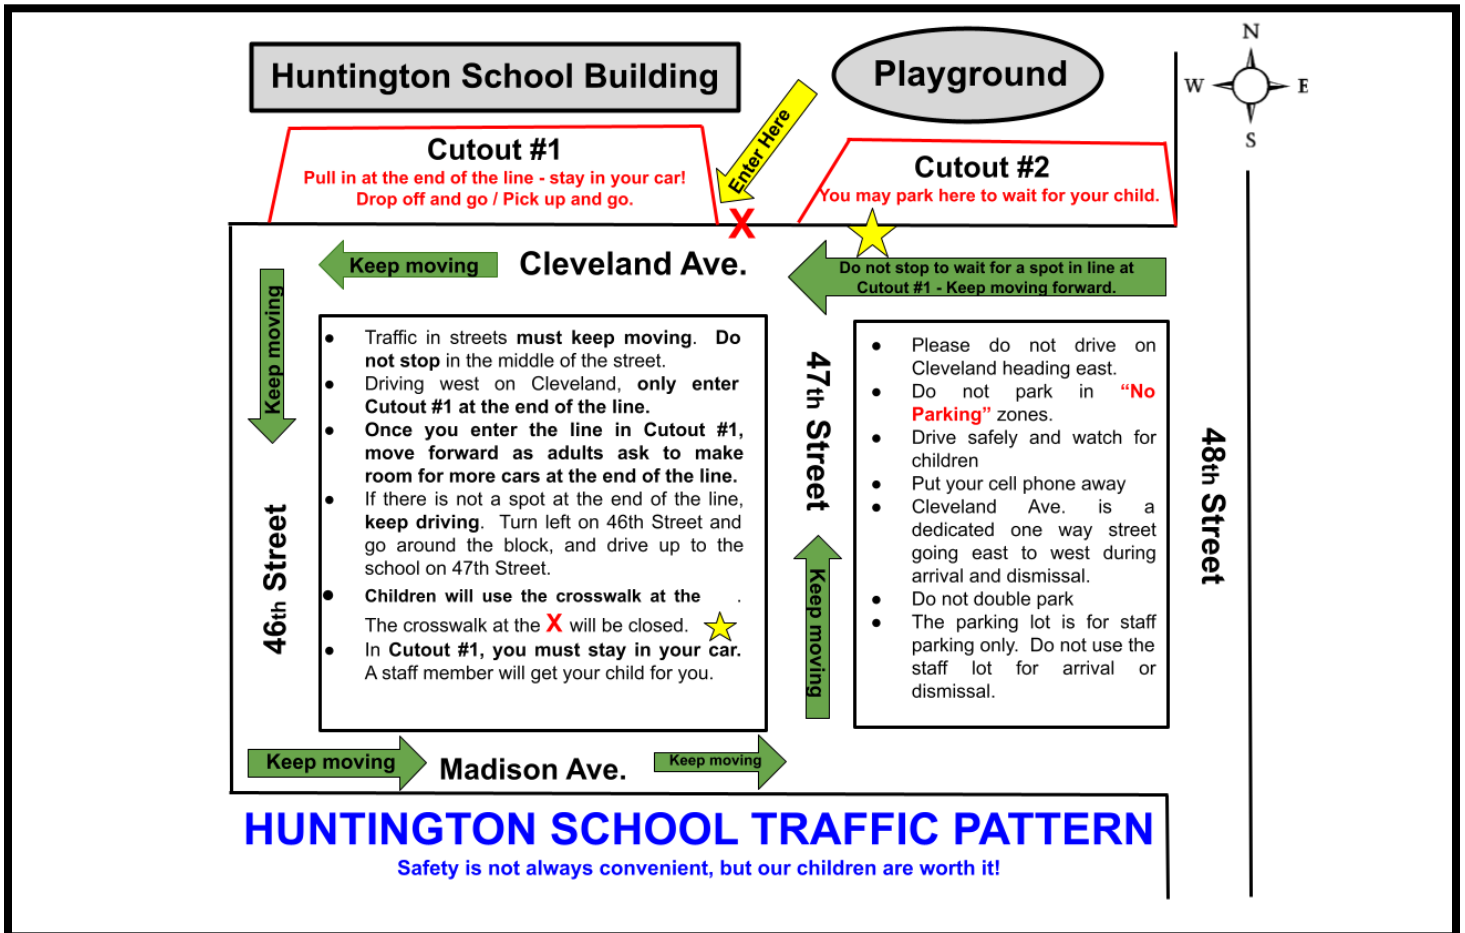

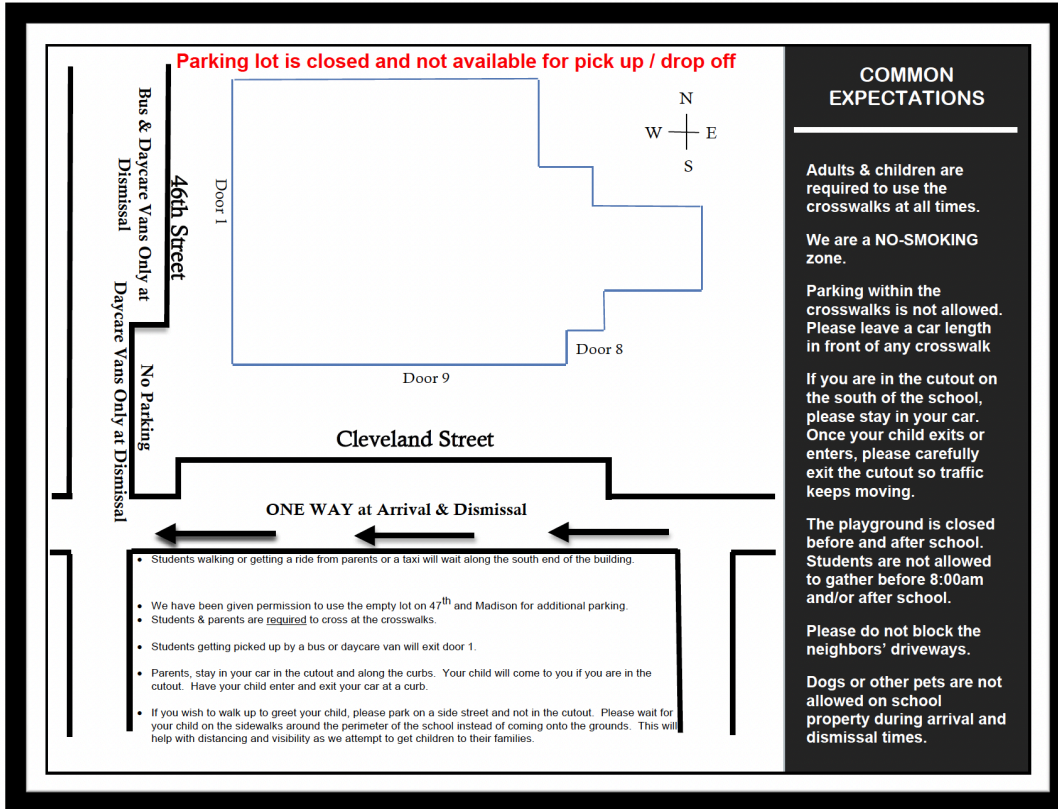

To ensure safety for children at Huntington, please adhere to the following safety procedures as you drop off and pick up your children. Please discuss these rules with your children so they understand their importance. Please also share this information with any grandparents, neighbors, or family friends who may pick your child up throughout the year. **It is imperative that we all work together to maintain a safe environment for our students as they arrive and leave school each day.**

Students in K-5 that arrive / leave by car can be dropped off / picked up on the curbside of Cleveland Street. (Children in Kindergarten and 1st grade can be dropped off on 46th Street in the morning, since they enter door #1 at 8:00 a.m.) **The cutout and curbside along Cleveland Street and on 46th Street is reserved for cars to drop off and pick up students without the driver getting out of the car during arrival and dismissal.**

- If you are in the cutout - stay in your car. If you must leave your car, do not park along Cleveland Street or 46th Street.
- Enter the cutout at the end of the cutout line and move forward with the line. We will have staff members in the cutout closest to the building who will help you know when to move forward. Please listen to them. Those staff members will ask you who your child is so they can use the radio to call for your child.
- If you wish to walk your child up to the building, or walk up to greet your child after school, please park on a side street.
- Please wait for your child on the sidewalks around the perimeter of the school instead of coming onto the grounds. This will help with visibility as we attempt to welcome and dismiss students calmly as a school community.
- Do not use your cell phone during arrival and dismissal.
- Do not park in "No Parking Zones".
- Obey all traffic laws including:
 - Do not park in front of driveways
 - Park on the right hand side of the street
- Do not park in the bus / daycare loading zone in the cutout on 46th Street by Door #1.
- Do not double or triple-park. Students should exit and enter their vehicle on the passenger (sidewalk) side so they do not need to cross traffic or walk in the street.
- Students should enter / exit their vehicle at the curb - **NOT** in the middle of the street.
- Children and adults must use crosswalks.
- The parking lot is reserved for staff parking. **The parking lot cannot be used for student drop off and pick up.**
- Animals (i.e. dogs) are not allowed on school grounds, including during arrival and dismissal.

We ask for your patience and understanding as we all learn our Huntington traffic procedures. We are not attempting to make things difficult! We are trying to keep students and staff safe!

Communication

HUNTINGTON HERALD: School Newsletter

The HUNTINGTON HERALD contains announcements, school information, school events, our lunch menu, important dates, and much, much more! The HUNTINGTON HERALD is sent on the 1st day of each month via email through our School Messenger service. If your family does not have access to email or the internet, please contact the school office to receive a paper copy of our school newsletter each month.

HOMEWORK FOLDERS: your child's backpack!

Most of our communication will come to families via email or our district-wide communication system "School Messenger". Teachers and our school office will at times send important announcements and information home in your child's backpack. **Please check your child's backpack and homework folder daily.**

Every student will have a yellow homework folder. Inside this folder will be two pockets. One pocket is labeled "Keep at Home". The other is labeled "Return to School". We will teach students how to use their homework folders. It is a Huntington expectation that all children show their family their homework folders EVERY NIGHT. Families, there is a spot in your child's homework folder or planner that you will need to sign that shares with us that you saw their homework folder and planner. This is a common Huntington expectation that all students and teachers will follow.

COMMUNITY NEWS

"Community News" is a newspaper distributed by Lincoln Public Schools. It is free to all elementary students the first week of every month from September through May. "Community News" replaces most informational flyers and can be used as a guide to community activities for students. The monthly school lunch menu is included in each issue of "Community News."

Bullying Information

If you feel that your child is being bullied by peers, please contact your child's teacher or the building principal, Kristi Schirmer. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school-aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. In order to be considered bullying, the behavior must include:

- **Imbalance of Power:** Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- **Repetition:** Bullying behaviors happen more than once or have the potential to happen more than once.
- **Hurtful** aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, principal, coordinator, school counselor, school psychologist, school social worker or any other adult in the building that the child has built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the Lincoln Public School's Second Step program.

Mental and Behavioral Health Point of Contact

Your student's mental health is important to their academic success. If you have concerns about your student's mental or behavioral health, you can contact the social worker at your student's school/program. LPS social workers are licensed mental health practitioners and can help connect you to appropriate mental health or behavioral supports. Please click on the QR code below for more information. You may also call 402-436-1144 and ask for the school social worker.

Miscellaneous Information

Student Phone Use

Students will be permitted to use the school telephone to call home regarding school matters upon obtaining permission from the classroom teacher. Calls by students must be kept to a minimum in order to maximize learning time. Students are asked to make arrangements for participating in after-school activities or going home with a friend before leaving home in the morning. **Please help your child make all after school plans in advance.**

Cell Phone / Personal Electronic Device Use

Cell phones, smart watches, and other personal electronic devices are considered nuisance items if heard or used during the school day. If personal electronic devices are brought to school, they should be kept in their backpack, locker, or location designated by school staff during the school day. Smart watches can be worn as long as they are used as a standard watch. If smart watches are used for any other function, they will be treated the same as other personal electronic devices, and the student will be asked to keep the device in a backpack, locker, or other location designated by school staff. **The school is not responsible for damaged, lost, or stolen devices.** Please note that it is unlawful, and therefore prohibited on school grounds, to take a picture or record audio or video of another person without their consent.

When on school grounds, parents should only take pictures of their own child. Some families do not want their child photographed. Please help us honor all families' wishes by not taking pictures of other students while at Huntington.

CLC After School Care

After school care is available to families at Huntington School through the Huntington CLC. They serve students in grades K-5. Hours are 2:53 p.m. – 6:00 p.m. Please contact Family Service of Lincoln at 402-441-7949 for registration information and fee schedule.

Huntington CLC strives to develop partnerships within the community to support youth learning and development, to strengthen families and the entire neighborhood.

We welcome school staff, parents, and neighborhood representatives to participate in our CLC school year activities.

Will your child be absent from school? Contact the Office!

Please enter absences in ParentVue or call our office if your child is going to be absent. (402-436-1144) It is important to us that we keep all students safe. Please enter absences in ParentVue or contact the office if your child is going to be absent from school for any reason. Our office line has voicemail, so calls after school hours can be accepted. If we do not hear from you about your child's absence, we will call each day to confirm the absence of your child.

Does your child need to leave for an appointment? Contact the Office!

If you will be picking your child up early from school for an appointment, please contact the office to let us know. (402-436-1144) When you arrive to pick up your child, we will call the classroom and have your child come to the front of the school to meet you. We will not have your child leave the classroom until you arrive. Having them stay in their classroom until you arrive maximizes their learning time. Please plan ahead.

Change in Dismissal Plans

At Open House, families will fill out a "Dismissal Plan" for each child in the household. Our staff will honor this plan at the end of the day when children are dismissed. It is a requirement that each family have a consistent plan for how children will dismiss from school.

We understand there will be occasions when a family will need to change their dismissal plan. If there will be a change to your plan, please notify the office. We will not allow students to leave with anyone other than the person on the Dismissal Plan. Please call the office and notify us of any changes to the Dismissal Plan before 2:30 p.m. This will allow our office staff to get messages to students before the end of the day.

The office will not be able to make changes to plans on a daily basis. A consistent plan for your child's dismissal from school will help us keep your child safe.

Lost and Found

The Huntington Lost and Found is located in the cafeteria. Whenever possible, please label your child's belongings. Encourage your child to periodically check for lost items. Items not claimed will be donated to a local charity on the last day of Quarter 2 and one week after the last day of school.

Pets on School Grounds

For the safety of students and families, we ask that Huntington families **not** bring pets onto school grounds. This request includes arrival and dismissal times. Huntington staff will ask adults to walk their animal off school grounds if they are brought on school grounds. Please respect the school staff who are following through with district expectations that animals stay at home, and not come to school.

Birthdays/Parties/Invitations

Classrooms recognize birthdays in a variety of ways. Students are not allowed to bring birthday treats (edible or non-edible). Please do not send gifts, party favors, balloons, food, or flowers. These items will not be delivered to classrooms. If they are sent to school, the office will send a note for the child to pick up the items at the end of the day.

Party invitations will not be distributed during the school day. Teachers should be notified ahead of time if a student has invitations to distribute after school. Phone numbers and addresses cannot be distributed by any school personnel.

Water Bottle / Nuisance Items

Children are allowed to bring their own water bottle to school. The bottle must only contain water and must be clear.

To avoid disruptions and keep the focus on learning, all toys, fidgets, and nuisance items should be kept at home. This includes all school supplies. Huntington School will provide all necessary school supplies for students.

Visitors

At Huntington, we value the partnership between families/guardians and educators. If you wish to visit Huntington School for any reason, please reach out to the staff member you wish to speak with to schedule an appointment. If you have a scheduled meeting, please check in at Door #1 with our SEM.
